

## NEWS OF THE DAY.

A plea against the sale of the personal effects of General Daniel F. Sickles was made in New York yesterday by his wife to Sheriff Harburger, who agreed to a postponement of the threatened sale when Mrs. Sickles promised to pay, about November 10, money necessary to satisfy a new judgment against her husband. This is the second time within a few weeks that Mrs. Sickles has come to the veteran's aid. The new judgment which Mrs. Sickles now offers to satisfy is one obtained by the Bank of the Metropolis.

An 11-year-old boy and a yellow mongrel dog are drifting to sea in an earless flat-bottom boat, or else hole stove in its bow, or else have perished in the storm that is kicking up high waves off the Coney Island shore. The boy is Clinton Fox, who lives in Coney Island. William Taylor, also of Coney Island, was found unconscious on the beach yesterday evening. When revived he said he and Fox had found a rowboat in Gravesend Bay and had rowed in it around Nortons Point. Just as they were swinging out into the ocean a big wave hit the boat and dashed it against a bulwark throwing him out, knocking a hole in the bow of the craft, and washing away the oars. The waves picked him up and cast him ashore. The last he saw of the boat, he said, it was drifting out toward the open sea, with the Fox boy and the dog in it.

Rear Admiral Chagin, commander of the Emperor of Russia's yacht Standart, committed suicide at his residence in St. Petersburg Wednesday. Members of Admiral Chagin's family declare his suicide was due to a love affair. The admiral, it is said, had an appointment with a lady which she failed to keep. It is reported that the lady for whom he vainly waited arrived later, and that, finding him dead, she also committed suicide.

Six men were arrested yesterday at West Clarksfield, Ohio, on indictments charging them with riotous conspiracy in connection with the recent tarring, or painting, of Minnie La Valley, a young woman of that village. A seventh man was arrested on an indictment charging perjury in connection with his testimony before the grand jury in its investigation of the occurrence. Reginald Thomas, constable, was among those charged

with the attack on the girl. Minnie La Valley was seized on the street of the village the night of August 30, divested of clothing and smeared with tar and paint. It was alleged at the time that women, dressed as men, had taken part in the affair. This the finding of the grand jury denied.

A blue circular printed in Italian was presented in evidence in Salem, Mass., yesterday at the trial of J. J. Ettor, Arturo M. Giovannitti, and Joseph Caruso, charged with complicity in the murder of Anna Lopizzi, in a Lawrence strike riot. This circular, which bore the names of "Joseph J. Ettor, Arturo Giovannitti, and G. Mazarelli," urged the strikers to resort to violence. The circular read: "Italian strike. Certain cowards and carcasses are going around trying to get you to go to work, claiming that the American Woolen Company has conceded all our demands. It is not so. It is a dastardly lie. 'Whoever says these things should be thrown downstairs. You should break their bones. You should give them remembrances for the rest of their lives.'"

As one result of the meeting of negroes in Washington at which "Jack" Johnson was "read out of his race," negro mothers have given prompt response to the resolutions urging them to provide their children with black dolls. Today negro children in many parts of the city were seen fondling dolls of their own color. It has been announced that doll manufacturers have prepared to aid this movement, with the avowed purpose of "instilling in the minds of the children race love, race loyalty and race contentment." Not only will colored dolls be made, but it is said that calendars and prints for decorative purposes will be made with pictures of colored persons.

A firing squad executed the death sentence upon Thomas Riley at the State prison at Salt Lake City yesterday. Riley was the second man to die for the murder of George Fassell, a grocer, in March, 1910. With Harry Thorne who was executed last month, he held up Fassell's store.

Princess Maria Theresa, Archduchess of Austria-Este, died suddenly at Sorrento, Italy, yesterday. She was the wife of Prince Ludwig, heir to the throne of Bavaria, to whom she was married in 1868. Princess Maria Theresa was born in 1849.

Washington, D. C., will be the convention city in 1913 of the National Woman's Christian Temperance Union, which concluded a week's convention in Portland, Oregon, last night.

## Correcting Assessments.

Richmond, Oct. 25.—Residents of Henrico, who through carelessness or ignorance of the law, made improper returns of their incomes to the commissioners of the revenue of the two districts in the county, are availing themselves of the opportunity offered by the grand jury, summoned to examine the commissioners' books to have their assessments corrected before the jury reconvenes on October 31.

Since the temporary adjournment of the investigating jury by Judge Scott many residents have either called personally at the office of Commissioners Frayer and Leach or telephoned to inquire what their assessments were. Many have been to the office of the commissioners and personally gone over the revenue books to ascertain if they had made any improper returns.

## Consumptives Helped by Tuberculosis Medicine

It is folly to believe that Consumption differs from every other disease in not requiring the use of any medicine for its treatment. For a number of years an enormous mass of voluntary and thankful testimonials from persons who consider that they owe their lives to Eekman's Alternative, a medicine for Tuberculosis, has been accumulating. Surely plenty of time to demonstrate its lasting value. You can write to any of them. Here is one:

"Gentlemen: In the winter of 1903 I had an attack of Grippe, followed by Pneumonia and later by Consumption. I grew steadily worse. In the winter of 1904 I had cough, night sweats, fever and raised quantities of awful-looking stuff. Milk and eggs became so distasteful I could keep nothing down. Three physicians treated me. I was ordered to the mountains, but did not go. Eekman's Alternative was recommended by a friend. After taking a small quantity, I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened until entirely gone. I am perfectly well. Everything I say here can be verified by my (Sworn affidavit) ANNE F. LOUGHRAN. Eekman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eekman Laboratory, Philadelphia, Pa. for more evidence. For sale by all leading druggists."
